DEDICATION

This graduating class is but one of the many which
he has seen come and go. His length of service
on "Piety Hill" has endured him to us all. We
of the 1955 LOG staff dedicate this yearbook to
our friend,

"PETE" SWEET

FORWARD . . .

In writing a forward to the 1955 LOG the staff would like to explain the theme. We have chosen "Through These Portals" because we feel that each segment of the book expresses some part of student life.

The "portals" are the avenues of student activity: sports; clubs; classes; and activities. We have recorded some highlights from each of these phases as well as memories of the lighter side of our stay here at Dexter High School.

The graduating class looks upon the book as a record of their senior year in high school. We have tried to show both the serious and "fun" sides of this year for them.

To the other students in the school we have tried to give a record of what has happened through the eyes of the camera and in our writing.

We hope that the book will provide the record of school life as we intended and that as you go "through the portals" here at Dexter you will remember this school year a little better because of the 1955 LOG.

THE LOG STAFF

BOARD OF EDUCATION

The Dexter Board of Education consists of five members: Mr. Carl Bates, president; Mr. Munnis Kenny, treasurer; Mr. Jack Bradbury, secretary; Mr. Earl Doletzky, trustee; and Mr. Neil Nixon, trustee. It is the function of this board to set the policy of the school system and to represent their electors in the establishment of a sound school program. This year a Citizens Committee of representatives from the service clubs and interested citizens has been formed to look into the possibility of future building and expansion.

CLASS OFFICERS: Rosalie Hoey, secretary; Dave Miles, president; Fred Fauser, vice-president; Nancy Wheeler, treasurer.

CLASS HISTORY

The class of 1955 took its place in the line of graduates when the first class meeting was held. George Tanner was elected president; Ray Fialkowski, vice-president; Lorna Knisely, secretary; and Rosalie Hoey, treasurer. Marjorie Hawes and Jack LaRosa were Student Council representatives. With the help of Miss McCarty and Mr. Larson we began to feel we were becoming a part of D.H.S. Savings for the Senior trip started with concessions and dances after the games.

The sophomore year passed smoothly. The high spot of the year was the winning of the homecoming trophy for our float, "Lick 'Em." Bill Tupper served as president; Joe Weber, vice-president; Rosalie Hoey, secretary; and Sandra Gale, treasurer. Marj Bradbury and Dave Miles were student council representatives. Mrs. Hays, Mrs. Bole, and Mr. Wendt were our advisors.

Moving into our Junior year the class realized that the years were moving by rapidly. Once again Bill Tupper was elected president; Art Simms, vice-president; Rosalie Hoey, secretary; and Nancy Wheeler, treasurer. Jack La Rosa and Barbara Bucholz were the Student Council representatives. The Penny Carnival, scrap drive, and Christmas card sales brought in profit to build up the treasury. We put on the Prom with the theme, "Southern Starlight" and gave the play "Murder Mansion." The Plastics dinner was the finishing touch to a very busy year with the help of our advisors Mrs. Hays, Mrs. Devine and Mr. Stoddard.

"Who can believe it? At last!" is what many members of the class said as they entered their senior year. Offices were held by Dave Miles, president; Fred Fauser, vice-president; Rosalie Hoey, secretary; and Nancy Wheeler, treasurer. Once again the position of Student Council representatives were held by Barbara Bucholz and Jack La Rosa. Dick French served as Student Council president. The Homecoming trophy was won again by the class of 1955. The theme of our float was, "We'll make pie of Manchester." Lorna Knisely made the class proud when the football squad selected her as the Homecoming Queen. A magazine drive and a three act comedy, "The Boarding House Reach" gave us another chance to show our dramatic talents and to raise the funds in the treasury. The class embarked May 18th for a five day trip to New York City. A good time was had by every senior and they all said it was more than was expected. The days flew quickly by and before we knew it, we (a little nervous) were accepting our diplomas and taking the last glimpse of D.H.S. A class of fifty-two seniors graduated saying goodbye to their advisors, Mr. Bergstrom, Mrs. Devine and Mrs. Hays, and to the students and faculty of Dexter High School.

ATHLETICS

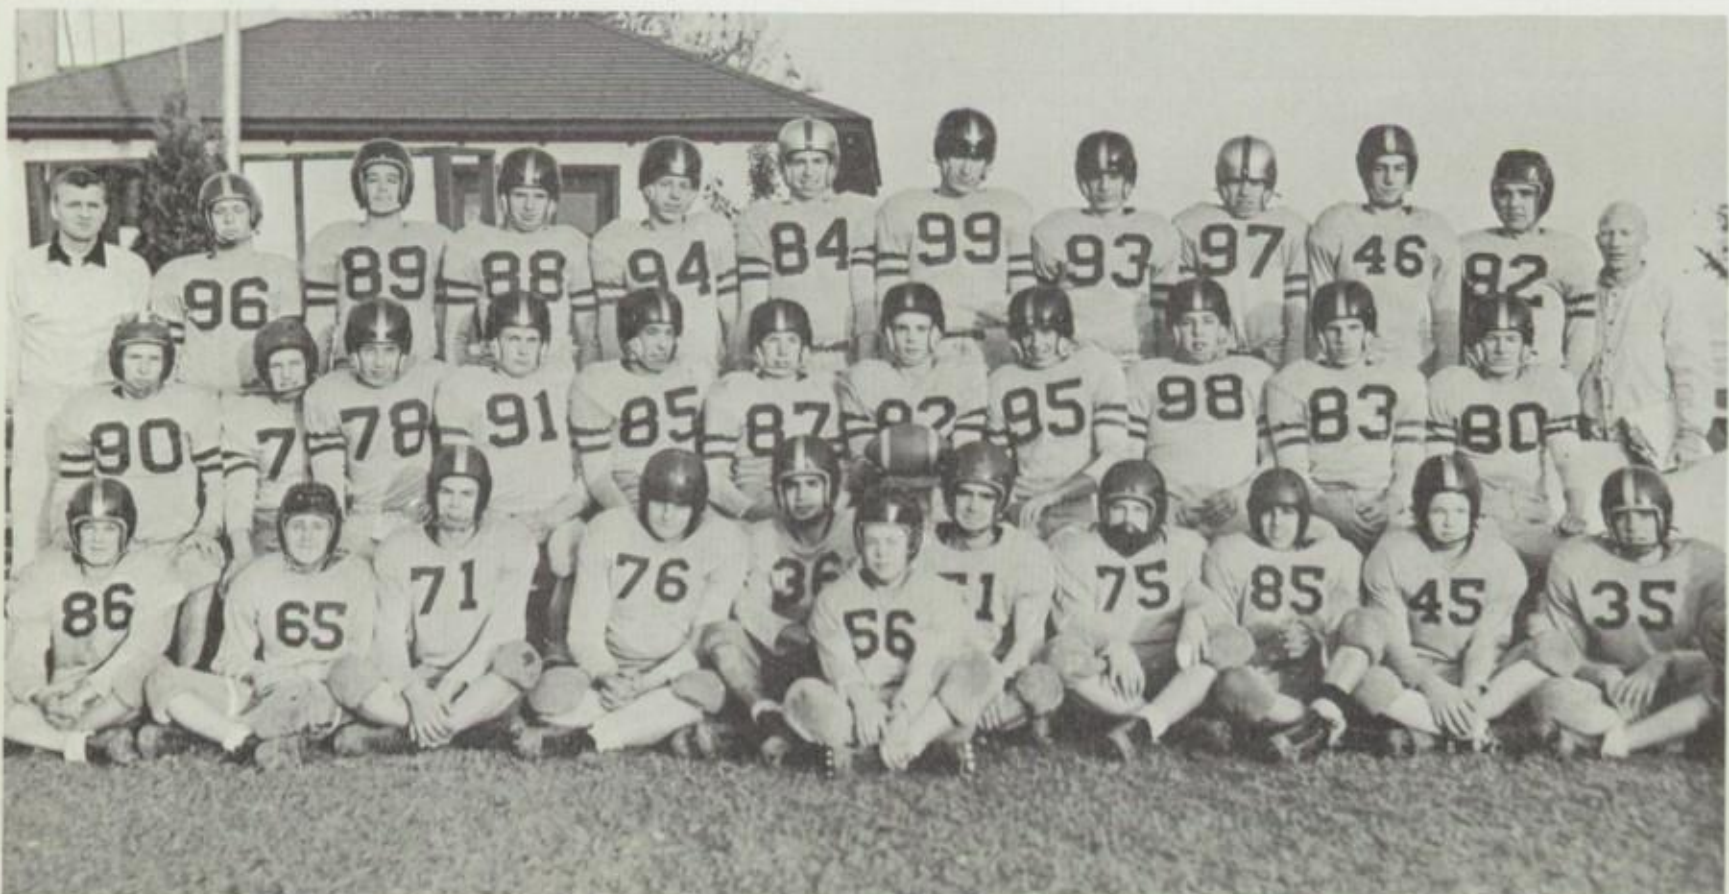

FOOTBALL

Although Dexter's football season got off to a slow start, the 1954-55 team took League of the Lakes championship honors with Pinckney. Losing a few "heartbreakers" by a few points the team rallied behind the efforts of Coach Soldan and pulled victories over South Lyon, Hartland and the thriller at homecoming when they defeated Manchester.

The cheerleaders, shown at the left, rallied the spirits of the students at weekly "pep" meetings. Original skits and well executed cheers brought the cheering sections at the games to almost full strength.

BASKETBALL

The basketball season came to an end with Dexter High School the undisputed champions of the League of the Lakes.

Despite a run of the flu and torn ligaments in Coach Berry's leg, the team was able to show a healthy percentage in the games won column. Dexter students were very proud of their championship team.

Dexter has a right to be proud of its band. This year the band placed first in the district contest as well as going on to the State finals. It represented Dexter High School at the University of Michigan Band Day and played at the Tulip Festival in Holland in May. The band played at all the home football games, entertained at three concerts for the whole school, played at pep meetings and played exchange concerts with Slauson Junior High School in Ann Arbor and with Chelsea High School. The band is looking forward to a climax this summer at the Chicago Tribune Music Festival in Chicago.

Caps and Gowns

... AND TELEPHONES

What have telephones to do with caps and gowns?

That's a question you didn't find in your final examinations. But Michigan Bell has the answer, and it's one that could be mighty important to you. Michigan Bell's business is telephone service. And graduates from high schools like yours are the kind of young women the telephone company likes to have as employees.

Because the telephone is so important in the modern world, Michigan Bell girls find a real thrill in their jobs. They receive excellent pay, too, right from the start . . . have good opportunities for advancement . . . make congenial friends . . . enjoy vacations with pay and other advantages.

So if you're graduating this month, and looking for that kind of a job, Michigan Bell may have one for you—an important job as cashier, teller, switchboard operator, clerk or typist. Why not drop in now at our employment office for an interview?

Something to remember . . .

Edison will help you . . .

- Plan your kitchen
- Select your lamps
- Do the laundry easier

- Plan a menu
- Plan a one-dish meal
- Preserve foods easier
- Plan party refreshments

One of these days, perhaps very soon, you'll be starting a home of your own. When that time comes, look to the trained young women in the Home Service Division at Detroit Edison. They can help you solve many of the homemaking problems that frequently puzzle a new bride.

Without charge, they will answer your questions over the telephone . . . send booklets and folders . . . or in some cases make a personal visit.

In Detroit, telephone Woodward 2-2100. In other areas, call your nearest Edison Office.

P.S. Mother might be interested in some of their answers right now.
